The Monday Night Gridiron Club strives to provide support and financial assistance to the North Attleboro High School Football Program. With the ongoing school funding challenges faced by all athletic programs the need for help has never been greater. All proceeds from the club's fund raising efforts directly benefit the North Attleboro High School Football Program.

All Monday Night Gridiron Club members are proudly listed in the football program ad book and receive a "Gridiron Gang" t-shirt to show their generous support of their community, neighbors, and the North Football Tradition.
